FILE PREP

Please use the following guidelines to prepare your files for print.

ACCEPTED FILE TYPES

We accept the following file types: Illustrator (.AI), Vector (.EPS), Photoshop (.PSD), PDF, JPEG, and TIFF.

FILE RESOLUTION

All files must be at least 300 ppi or in vector format.

PRINT SIZE

When creating your design, please make it at the size that it is to be printed at or larger.

TEXT

If your design has text in it, please convert all text to outlines. This allows us to open your file without requiring the font.

COLORS

Please note that we work with Pantone Solid Coated colors. Not all colors have an exact Pantone match, but we will do our best to find you the closet one. All colors should be on separate layers.
